Description

Third-year student looking to kick-start and broaden my scope of experience through medical internships and research labs. Very interested in OB/GYN and birth center experience! Able to communicate with patients well in English and Farsi, manage multiple patient tasks at once, and talk to mothers and their children in their stressful moments!

Education

University of California San Diego - Revelle College

(July 2020 - Present)

Major: Human Biology

GPA (present): 3.48

Involvements

Summer Bridge - Student

(July 2020 - June 2021)

Involved in team meetings and seminars.

Learned teamwork, communication and connection-building.

Pathmaker Internship Intern

(2022 - Present)

Volunteering at Palomar Hospital. Shadowing nurses and observing medical treatments.

Practiced patient care and communication skills by asking thought-provoking questions.

Extracurricular Activities

Bushikan Karate Dojo - Junior Instructor

(2010 - Present)

3rd Degree Black Belt. Learned leadership in the form of teaching class. Enhanced teamwork abilities through creative and impactful training sessions for each student.

Sanedo Liaison

(November 2022-Present)

Organize dance event and serve as a dance team's guidance. Heavy communication, time management, and work-under-pressure.

Work Experience

Summer Bridge - Peer Mentor

(April 2021 - June 2022)

Guided a group of incoming 15 freshmen and helped them get accustomed to college.

Discussed social injustices and provided emotional support through weekly, interactive meetings. Gained leadership skills and time management skills.
